

Janet Morene Rowland

July 2, 1955 - July 23, 2025

Janet Morene Rowland, 70, passed away on July 23, 2025.

Born in Odessa, Texas, she later moved with her family to Tucker, GA. She studied to become an LPN at DeKalb Technical College, graduating at the top of her class.

Since childhood, Jan had a deep desire to help others. She never hesitated to lend a helping hand to friends, family, or strangers in need.

She was a devoted Christian who felt it was her mission to advocate for the less fortunate and to be an unwavering voice for justice.

Jan was a free spirit with a wonderful sense of humor. She found joy in life's simple pleasures, especially collecting rocks and crystals. Nature was her haven. The outdoors called to her spirit, and there wasn't a creek that she didn't love. She felt peace where the water flowed.

She leaves behind a legacy of love and compassion. Her absence will be felt by everyone whose life she touched.

Jan is survived by her three daughters, Amie Cain-Lovell, Shelby Rowland, and Sasha Rowland, granddaughter Brianna Ramey, sister Joni Bland, sister and brother-in-law Jerri and Jorge Dorta, nephew and niece Nick (Amber) Dorta and Crystal Dorta (Alex Carnley), and her beloved dog Bubby.

She is preceded in death by her parents, Clyde and Sheila Hambright, infant son Nicholas Harrington, and her loving husband Dale Rowland.

The family will announce a Celebration of Life for Jan at a later date.

“ Jan was the most selfless person I ever had the pleasure of knowing and my life and soul are in a more peaceful place just because I met her . I never understood God and our purpose here and she, for years, slowly brought me around to feel the spirits all around us. I told her one day that I actually prayed to God and she cried and held on to me it seems like forever and told me that was her purpose in life to teach love, patience, and God (and rocks). She said that even if I was the only one she got thru to her life had meaning and purpose. She saved my soul and I will forever be grateful to her for the rest of my life. She was one of a kind, and angel from God on this earth to protect every life she touched. She will be missed greatly and she will always be with me. The world has lost a great person and all of us that had the honor of knowing her are better souls because of it. I will always be grateful to have her in my heart forever.

It has taken me a while, trying to know what to say here. I still don't really know. Jan was my Jesus buddy. It was so good to have a Christian friend to talk with, and she was almost always open for it. I'm sure Jan showed many the way to Jesus, which is our job. She always had scripture to go along with everything we talked about. I miss her, I miss knowing she's there. I will be glad to see her again one day. Jan, I love you and miss you my dear friend.

“ Jan was the most beautiful person I have ever met. She took me in when I was down on my luck, without hesitation. How much more beautiful she could be was an absolute treasure that I was able to share with her in her organized and productive life. She was a jewel and a treasure that I was lucky to have in my life. She was an amazing woman with a strength of 1000 women. She was totally and independently the type of lady that each and every one of us should have had in our lives and hearts. She will be dearly missed and , hereafter will be just as Blessed as her life here on earth. I am at a loss for words now but I thank God she came into my life. You go Jan, you take Heaven with a storm and may Peace Be With You. You are and will always be in our Hearts. ❤️❤️❤️
