“ I dated Mike and we drifted apart. I have been trying to reach him for months. I didn't realize he had passed. I am so sorry for his family's loss. What a great guy Mike was. He was the kindest person I ever went out with. He loved his family and talked about them a lot. Go wit God Mike.

“ Michael and I established a wonderful relationship over the years. I was honored and blessed to provide companion care to him on an as needed basis. Over time we would deem ourselves, "brother from another mother". His trust in me is most treasured especially during the final days. I will miss Michael but God loved him best.

We enjoyed time spent with Mike and family on Lake Hartwell, occasional movie and dinner on Christmas Day and several different family occasions. His laughter, smile and stories will be missed but we know he is now in complete health and at peace. I know his family and friends will miss him greatly.
