“ Jayne was one of the sweetest, caring ladies I ever met. We met during school activities when Emma and my grandson were young and they had classes together. I considered her a very dear friend although as the kids got older we didnt see much of each other. . My heart and prayers go out to all her family. Emma I know you will miss her very much but always remember the good memories. She loved you so very much. I wish there were more people like her in the world and it would be a much better place. She left a memory not to be forgotten.
