“ Tammy and Jerry,

It saddens me to hear that Ms. Jean is no longer here on earth with us, however I rejoice in knowing where she is and that one day we will meet again. I have many many fond memories of your family from Mount Olive. Your parents were such good friends to my mom and dad, Bobby Joe and Estelle Adams. One of the things I remember most about Jean is that every time we would have a dinner at church, she would bring hot dogs because that was about all Tammy would eat! Brings a smile to my face every time I think of this. Loved them both and love you all. May God's grace give you comfort and peace.

“ What a beautiful lady inside and out. She was such a blessing and always loved unconditionally. I have so many wonderful memories going way back to when Tammy was 3 years old to when we were in church together. She always made me feel like family and I loved her so much! I will miss the phone calls when she would call just to see how everybody was doing. To all the family, I know what you are going through since it has only been a few months since Mama passed away. The best thing is, we will all meet again one day. Love all of you so much!
