“ *To the Family of Jean Green: You may not immediately recognize my name. I am Miles Williams, son of Charlie & Olene Williams & the nephew of Martha Thrasher. As a life-long resident of Suwanee, I realize that there are not many of us left. I was saddened to hear of the passing of Mrs. Green. She & her husband have been a part of this city for a long time. I remember Mr. Green working for Mr. Benson Roberts. May you, as a family draw close together and draw some comfort in knowing that she is no longer in pain nor is she suffering. May the many memories that you have made together- give you comfort in the coming days. My thoughts & prayers are with you. May God bless you & keep you safe in His care.*

“ When I entered Suwanee Elementary in 1991 to enroll my firstborn in Kindergarten, the first faces I met were Mrs. Jean and Mrs. Bobbie Sawyer. Within 2 minutes time, I knew this was going to be the best school because of the warm, loving, caring attitude of these two women. Mrs. Jean always had a smile and a hug for my boys. She always joked and said that by the time the youngest, Andrew was ready to come to Kdg, she would have to retire and she did! Always teased her about that. Our condolences to your family. Know that hers was a life well lived and she was loved by many.
