“ I am so saddened...I have thought about Jean so much over the last week and a half and feeling bad about not keeping in better touch over the last few months. A happy connection to childhood ~ Jean being such a very close friend of my mom, Nancy. She was my mom's BFF ~ with my Aunt also a good friend. I just can't believe it! Jean had an energy about her that surely I thought she would be one of the centenarians we read about in newspapers living long and strong. Surely will miss you "Jeannie Kramer" ~ sincerest condolences to Rita Jo and Stephen and friends of Jean.

“ I am so sorry for the loss of Miss Jean , I only did her hair for a short while and she talked constantly about Rita and her grandson.I am so glad she was able to go to Ireland a couple of years ago to meet her grandson there . She adored her precious kitties which I am sure are lost without her , she loved all her plants and never liked to pass up a good estate sale, Praying for strength and peace for all of you she will be missed
