“ *Terry and family you have my full heartfelt condolences. I have been missing seeing Jeanette the last several months after being blessed to be her stylist for a very long time. Terry both you and Jeanette are much more in my heart than just clients...I love you both very much and believe I have been blessed by both of you in my life. I will continue to miss Jeanette and I know that she is not hurting anymore. I am thinking of you and if you need anything please let me know.*
