“ Jeannie, we were shocked to hear you've left this earth. We are so sad that we had lost touch with you over the years and did not get a chance to reconnect. We shared so much (good and bad times)together for many years though and we will always remember those times. You pushed us out of our comfort zones, yet we experienced fun like we've never known. We will never forget you - your smile and your zest for life. You were always the life of the party. We are so happy to hear that you found a new love and you were happy. You did a wonderful job raising Leanna! We know how much you loved her and were so proud of her. Rest in peace.

“ You were a beautifully spirited person so full of vigor and you showed us all how to live and love life to its fullest. Your love and passion for your family (especially your daughter Leanna and husband John) was truly remarkable and most of all, your heart was as big as your smile...both warm and beautiful. It was a pleasure knowing you for the short time we had as colleagues and I will miss your smile Jeannie St. John...(you loved saying your new last name (smile). You are an angel for real.

“ Jeannie was the light of so many peoples life. The first time I saw her she was looking fabulous sashaying down the dock just so fabulous. Every mans head turned and every women was jealous. I couldn't not love her though, once I got to know her. She was funny, and cool, and a sweet-heart. She always made me laugh, with her many witty commits. I enjoyed many long talks with her and felt like she was a sister to me. I got a text from her to celebrate my bday this week together. It is with great sadness I will not have her here with me to toast in another year. There will not be a day that I wont think of her, smile, and then cry. I will miss you my wonderful Captain, oh Captain.Her humor, her zest for life her beauty inside and out will forever have made my life much better. Kisses Miss Jeannie, your spirit will always glisten on the lake, and be in the sunshine. Good bye friend.
