“ My sympathy and prayers goes out to this family. Jeff and I went to the same High School. He also was the coach of my son and nephew's football team in the 80's. He was always such a caring and giving person. I will always remember him as "Coach Jeff." All of the kids just adored him.
May God's Holy Spirit bring peace and comfort to you all during this time.

“ *To the Dear Family of Jeff,*

I have no spoken words to express my feelings right now nor can I even imagine what you are going through. Jeff was a very special friend to my husband and me. Actually, he was more like a brother. I don't need to tell you how he always made time out of his busy schedule to help others. As I look around my home I see many things that he has personally had a hand in and I will treasure those things always. We had many fun and happy times with Jeff and we are better people for having known him. My hope is that he knows how much he was loved!! My thoughts and prayers are consumed right now...
