“ Met Logan at BOOTCAMP 2017. She was so friendly and excited! I was a new at time. She saw the journey I was on to become healthier and STRONGER! Years past we still working out same time... conversations continue walking out of the door. She says..... “Griggs you know what we can do this right? ... duo coach and teach a class give our coach an evening off! 🍷 We never got the opportunity to, but I was asked to “Coach” a class to fight for #Logan
She pushed me to be STRONGER! A memory of a life time! Rest in peace my dear fit family Logan.

“ Jennifer is my first cousin she's my best friend and my favorite cousin to be honest. I miss her so much already and will continue to miss her certain silly things will remind me of her and I'll hold her close to me in my heart and memories for the rest of my life. She is definitely gone too soon. Heaven was ready, but my heart was not.

“ Jennifer and I started working together at DentFirst and then transitioned to Sonnier Dental. We had amazing travel adventures and staff parties. We literally watched each other grow up over the past 26 years. The love we had for our extended families is unmatched. Jennifer you are in a place of peace and now you can rest.

“ Jennifer and I met at Kroger when we were 15 years old. We became great friends and introduced a lot of mutual friends whom later became so much more. She was a big part of my daughter's life when she was born and was there for me, as I was a very young mom. I still have some photos of her that I will share with her family. We have kept in touch through the years and she was such an inspiration to everyone. She will be deeply missed! Fly high my friend! Forever in my heart!

“ Jennifer and I were childhood friends who lived across the street from one another.
We used to dress in my mom's sun dresses and put on dance shows together.
She was a part of a very close 'neighborhood gang' of friends who built forts, rode bikes and stayed out until the street lights came on.
RIP, my friend.

“ Jennifer and I met in high school, even though she was 3 years younger than me, we instantly became best friends. We also worked our HS jobs at Kroger together. We lost touch for a while after HS because I moved away, but a few years later moved back to GA and rekindled our friendship. She was the only one who stood by me during my divorce in 2013. I will never forget and always cherish the memories we made together. Her friendship was a blessing. She is in the arms of our Lord now, pain free and singing with the angels right where she belongs. See you again my dear friend ❤️ My prayers and condolences to the family, may you all have peace knowing she is in good hands 🙏🙏
