It is a rare circumstance to come across an individual like you in this world. The impact you have had on those who had the pleasure to meet you will remain influential for generations to come, and the memory of your impeccable character will keep me going during tough times and inspire me to greater aims. I want to thank you for the support, kindness, generosity, and love you have shown me as a grandmother. My sisters and I will miss all the times we have spent with you and how big of a part you have played in our lives. You were always there to celebrate our accomplishments and lift our spirits. “ *Dear Oma,*

You have been and will continue to be such a great influence on my life. You taught me what it means to live selflessly and how one smile can turn someone's day around. Your kind heart and ability to make conversation with anyone/everyone will always be remembered. From taking weekly library trips and coffee shop visits when I was four to being my "student" when we played school in the basement to coming to my soccer games and being my biggest cheerleader, I will never forget the fun we had and the support you gave me through everything!

*Love (Your favorite),
Kristen*
