“ *His mother Dot would send Buddy who would ride his bike with the basket on front to deliver groceries from their store to our house on Sawnee Ave/Main St when he was 12-13 years old. I was only 3 years old but remember him well. He was always friendly to us throughout his life when we would meet. Our sincere condolences to the family.*

“ *I am so very sorry to hear about the loss of your brother Buddy. There is no greater loss and we struggle with the depth of such a great loss.*

I Corinthians 13:12 "For now we see only a reflection as in a mirror; then we shall see face to face. Now I know in part; then I shall know fully, even as I am fully known."

Know that Buddy is at peace now and it us who must endure with hope in our hearts that we will see him again, "face to face" as the scripture says.

“ Brad,
Please know, you and your family are in my thoughts and prayers. It is challenging to lose someone that you love. I have great sympathy for you and your family for the passing of your Father and also losing your Mother in such a short period of time. May God bless you all and may peace come to you.

“ Brad & Family:

We were so sorry to hear the heartbreaking news about your Father but I know as sure as the stars will burn bright in the sky tonight the many lives your father touched will keep his memory alive and in good keeping. I know you are strong but as I said before--if you need a shoulder, I'm just a phone call away. (And I'm hoping I'm still listed in your "FAVORITES" call list) Love, Michael

“ Since the age of seven, Buddy has been a part of my life. Sometimes in the background and sometimes front and center, but he was always "the cool guy:" The Fonzi of Buford. His pompadour hair was strategically coiffed. He was pressed and dressed in the latest fashion, and proudly cruised around in stunning waxed and polished cars. He was always smiling, possessed an infectious laugh, and was eager to spin an entertaining yarn. May our fond memories of Buddy be front and center. God's greatest mercies are often bittersweet. Rest In Peace.
