“ *I remember one time as a kid, when we were in Boy Scouts, Jeremy was sitting at lake Lanier at around 3 AM just fishing. I walked up to him and asked "will you teach me how to fish?" He smiled, turned to me, and said" have a seat, let's get started" and he taught me how. I loved being around Jeremy as anywhere he went, there were always good times. I miss you man. Catch a few for me up there!*

“ It pains me to know you were taken so young. You were a big part of my life a few years back. I hate that you won't get to go on to do big and better things in this world. I'm glad to have gotten to know you and share your last name at one point. You were a great and funny person to know. R.I.P. Big Clem fly high!

“ I'm terribly sorry to hear. Me and Jeremy are cousins through his dad. We met in 9th grade and hung around each other for a year. Though the time was short, he made a big impact on my life. I will forever miss his laugh, his kindness, his way to look on the good side of things. again im terribly sorry. My heart goes out to all the family!
