“ I am so saddened to hear of the untimely death of someone I trusted and respected as the best chiropractor I have ever known. It was my pleasure to know him and I will never forget the many life lessons he taught me through the years. My family moved to Myrtle Beach, SC last year and I have been out of touch for a while. My heart goes out to Kim and Catherine and the many friends and members of Dr. Brussack's family.

“ I am in shock at the loss of Dr. Brussack. I looked at him as a family member. He was and has always been there for me and my family for near 30 years. I have often spoke with people who had back or neck problems and assured them I had the person to make them better. Dr. Brussack, as I sit here crying at our loss and thinking of your family I know you are in heaven with our Lord looking down with that positive attitude, assuring us we will all be ok and "there is a solution to our problems". This was his way of being my chiropractor/counselor. I always left his office feeling better because this GREAT person had touched my life. Kim God Bless you and your family. Katherine you are a very special person in that office. I will pray for you all. Vickie Robinson

“ I am still in disbelief and so saddened to hear of the loss of Dr. Brussack . I have been a patient for over 30 years. We shared so many stories of our families and children growing up and his biggest smile came from talking about the grandchildren . He helped so many people to have a more quality day by relieving their pain with his expertise as he was the best chiropractor I have ever known. He always had a smile and inspirational message and a positive plan for his patients until he saw you again. He was indeed a very special person and a fine example Of how to live life fully. My condolences to his family and close friends as he will be dearly missed.

“ We are so very saddened to hear of Dr. Brussack's passing. He was such an important part of our family's healing journey and we saw him as more than just a doctor, he was also a dear friend to our family. No amount of words could ever properly express what he has meant to our lives and our 3 children's lives. Thank you for 18 years of outstanding healthcare, authentic life advice and wonderful inspiration, Dr. Brussack. We are no quite sure we will know what to do without you, but we hope to live the remainder of our lives as you did, by being the best versions of ourselves. Love to Kim and family during this time. ~Schmidt Family~

“ Sorry to hear about the loss of our friend and awesome tennis team member. I remember Jerry doing his first triathlon at Callaway Gardens and I was in canoe helping, the last person on the swim was struggling and I was trying to encourage and I hear Champ! I ragged him for a long time!

“ We are extremely saddened to learn this morning of the loss of our dear friend Bru. For over 40 years he was a cherished member of our family as a tennis camper, team player, camp counselor and third son. The sound of his voice brought a smile and warmth to us each time we heard it. We hope you can find strength and comfort in his memory as we are now attempting to do.
"Two roads diverged in a wood, and Bru---
He took the one less traveled by,
And that has made all the difference"
