“ *I have known Jerry for more than 40 years while we worked at Electric Machinery. He always did an excellent job for our customers and EM. Years ago Jerry was telling me that all our machines leaked oil. I told him we had fixed that. I suggested that he should look at a specific machine, he did and was happy to tell me it wasn't leaking oil. Jerry was known as "The Closer", because he knew how to get orders. EM missed Jerry greatly when he retired and we are missing him more now that he has passed on.*
