“ *Faith,*

We are sad to hear of your mother's passing. She was a kind and gentle woman who loved her family dearly. Your father and mother were kind enough to participate in our wedding almost 52 years ago. Since all of Gene's family were in Ireland, they represented his family well. Though our families ended up going in different directions, we kept in touch with them over the years. It was always nice to receive that Christmas card every year and an occasional phone call. May God bless you and your family, and may Jewell live in the house of the Lord forever.
