“ *I'm deeply saddened to learn of the death of Jill Foist Swart. We shared many happy times together during the mid-1990's when our children went to Westside Montessori in Toledo, Ohio. Sam and my son were classmates, but Ashley and my daughter Lauren spent a lot of time together. They were classmates, Brownies and Girl Scouts, soccer players, probably more? They had many play dates and sleepovers. Of course, Jill being Jill, she was very involved at the school because her children were. I very much enjoyed Jill's positive outlook on life, her sense of humor, her easy going nature, her hard work ethic, her curious nature, and her ready laugh. I admired her devotion to her Matt, the girls, and her Sylvania family. Life being what it was, we lost touch a few years after the family moved south, but Jill is unforgettable. My sympathies to the family.*

I am so sorry for your loss. I did not know Jill very well; but always heard great things about her.

“ I was so sorry to hear of Jill's passing at such a young age! We were waitresses at Frisch's Big Bit in Sylvania, Oh back in the 70's. We had so much fun working together! Also our moms were good friends since they were librarians at Sylvania High School. May Jill rest in peace! Her family is in my thoughts and prayers! I am so sorry for your loss!
