

Jimmy Wilford Groom

September 11, 1957 - September 7, 2022

Jimmy “Jim” Wilford Groom, age 64, of Buford, Georgia, passed away on Wednesday, September 7, 2022 after a decade-long struggle with Huntington’s Disease. Jim was born on September 11, 1957, in Pensacola, Florida to the late Robert M “Bob” and Elizabeth “Betty Zoe” Groom. He was preceded in death by his sister Susan Elizabeth and brother Jeff, and survived by his family Isabel, Max, Carol, and sister-in-law Susan Carol.

At home, Jim was a loving and caring father, always first in line to support and advocate for his family in good times or bad. He enjoyed woodworking, sailing, camping, and was the handiest guy to have around for any kind of repair work, home or automotive. He shared his passions with anyone willing to tinker with him, often through mishap, AKA the “Groom Special”.

Jim worked for nearly 40 years at Micromeritics Instrument Corporation, in Norcross, where he pursued his fascination with materials science, manufacturing, engineering and technology. His coworkers were his second family. He strove to provide a positive and equitable workplace for his colleagues, and world-class quality and service to his customers.

He served his community through Buford First United Methodist Church, where he was an active participant in the choir, youth fellowship, administration, and liaison to the BSA troop. He installed the Church’s first

computers. He was an Eagle Scout and Assistant Scoutmaster, and lived to teach and uphold the Scout Law.

A memorial service is being planned for October, details are forthcoming. In lieu of flowers, the family suggests donations be made to the Huntington's Disease Society of America.
