“ *My sincerest condolences to the Willard family. Jimmy and I did business together, both directions. I would repair his overhead doors and he would tow my trucks and cars. To me Jimmy was a kind hearted teddy bear that treated everyone with class. Just a pleasure to interact with. The world could always use a few more Jimmy Willard's. Godspeed my friend, may the Lord rest your soul and comfort your family.*

“ My entire family has been devastated by this lose. We could write a book on all the memories that we have of Jimmy. There will always be a place in our hearts for him as he had no idea of how much he touched our lives. I was introduced to Jimmy as a very young girl through, who now is, my husband and has been for 38 years. Jimmy saw a lot of kids grow up and I'm very proud to say that my husband and I were two of them. He helped us along the way many times and we will forever love him for that. We couldn't imagine a better presence in our lives than Jimmy Willard. He was not only an employer but a father figure to us. We love his family and our thoughts and prayers go out to all of you!

“ What can be said of a man who touched so many lives and who lived a life serving his community. My friend of 40 years here in Buford. He told me "I was family" many years ago, and we talked frequently discussing life's trials. The boys all went to work in the family business as Jimmy hoped, and the business grew from the many hours of attention he gave it. Growing from 2 trucks to about 50 or so, they had there work cut out for them. I loved the man just like he was my own brother and know that God has Jimmy in HIS heaven doing some very important work there. I pray Jimmy's family all heal up form this tremendous loss and carry on the FAMILY tradition going forward. I love ya'll.

“ Praying for the Willard Family. A lot of memories going to Kelly B's back in the day to get ice so we could make homemade ice cream. My grandparents had a coal heater and they would purchase coal from the Willards. Jimmy and his family has been a pillar for our community for a long time.

“ Jimmy, no one will ever forget your love and total devotion to this company, and those who you considered family. You've taught so many so much, and left an ever lasting impression on this community and those who knew you. May your soul be at peace, your family have strength, and look over the guys who continue jump in these trucks with your last name on them to keep your legacy alive. God bless you Jimmy.
