“ *My mother in law, Joan, was one of the most beautiful, caring and compassionate people that I have been blessed with to have in my life. She was such a wonderful mother, grandmother, great grandmother and dear friend to us all. She devoted her life and time to the Lord and the church charities in Ellijay and Buford. I will always cherish the good times and fond memories that we shared together forever. May she rest in peace. Diana Ruprecht*
