“ *I went to school with Joan from Harmony Elementary, where he grandmother was my teacher, to North Gwinnett High. Joan was one of my friends. We talked a lot. She was a very sweet and loving person. God definitely got a SUPER angel with her. We love you Joan and we know you will have a wonderful time up there.*

“ *From the first time I met Joan, she greeted me with a huge smile and a hug. She always asked about the family and she loved my grandson, Xavier, and called him "her boy". He felt the love from the start and always asked to go over there. Even though he's 12 now, he still loved going to visit her & Evelyn. I enjoyed sitting outside chatting while she made her pot holders, which she proudly gave away. I have always been fond of them, but they will hold a more special meaning now. She was truly a special gift from God and we are all better for having known her. She will be sorely missed but I have no doubt that she is resting in Jesus' arms with that great big smile on her face.*

“ Joan was such a sweet Lady, Joan & I went to school together for
several years, & then when I joined Gravel Springs Baptist Church
she was my Sister in Christ, I never heard her complain about
anything, she was a delight to be around, I love Joan & I know I will
see her again in Heaven, in the meantime she will be singing with
our Lord & Savior ❤️❤️
