“ *Mama I don't know how to even begin to move on with my life without you being here. You have been my rock, my support system, my best friend and most of all you have been the best mom anybody could ask for. You made everything look so easy. I'm gonna miss your smile and your laugh, I'm gonna miss you nagging at me and telling me what I should and shouldn't do. Any time I would be going through a hard time in my life as long as I was around you I knew I was going to be OK. You are the definition of grace, class, Just a beautiful soul inside and out. Mama I don't know exactly what the future looks like without you in it but I know that you will always be inside of my heart and you will always be with me.*
