“ My heartfelt sympathies to Joanne’s children and grandchildren. I met Joanne in 1973 when we worked together at Westchester County Health Dept. We have been friends ever since. When I got engaged Joanne and Celie became good friends. Joanne was my big sister in those days from engagement to my wedding giving me sisterly advice. I will always remember her for that. We had great memories with Joanne and Michael. Joanne was a wonderful person and I will miss her. God Bless Joanne.
