“ I have so many memories because my mom and Jodie's mom we're very best friends from the time they were 5 years old. I used to spend just about every weekend with you when we were in elementary school I can't name just one good memory they were all good. I love you and I'm going to miss you even though we haven't seen each other in years and years that does not change the fact that we were like sisters but we were little girls you will be truly missed
