“ Dave, Kathi, and Matthew,
May you gain strength from each other knowing that you loved Joe to your fullest. The pain of his loss is excruciating; but hopefully in time, may wonderful memories fill some of the void.

“ Joe, where do I start man. Me and you had some great memories in Georgia together. Most of the time when friends move away they don't talk much or at all. But we kept in touch frequently, always talking about our big plans for the future. I will always remember you for your outgoing personality, your willing to give and not ask for anything in return, and just your goofy smile. I still think back to the days of you taking me out for the first time in my jeep and going mudding. And also the most recent time we went shark fishing at Amelia island. There are many great memories but those are just a few that made me think of u. I love you bro, and even though i can't make it up for your celebration of life I am here thinking about you. Thoughts and prayers go out to you and your family

“ Dear David, Kathy & Matthew. My heart breaks for all of you. This is a tragedy and it has to be stopped. What a handsome boy taken away when he had his whole life ahead of him. I am taking this very hard, just as you all are. God bless you and give you comfort during this trying time. I love you all. My God grant you peace. It's so hard losing a child. We are to go first. Never in my life did I imagine it would happen to someone near to us. He will never be forgotten. What a boy, a typical Abraham. A clone of his dad. It just brings back memories of Betsys daughter Rachel. Why does this have to happen? Again, I love you David, stay strong for Kathy and Matthew. They will need you now more than ever. cousin bonnie

“ *Kathi and Dave,
Bryan and I and Ashley are just broken. Ashley will miss his
friendship and his jokes and goofy fun personality and we are
suffering with you as parents who dream the best for our kids, and
who's worst fear is for something like this to happen. We can't
imagine the grief you are feeling and we want to join you in the fight
to keep these poisons out of the hands of our youth. You are not
alone and we are here in any way we can help you.*
