all to do good and great things, the world is less with his passing

“ *David was a genuinely good guy who always had a smile and a
handshake for me. He was an extraordinary hunter who supported
the conservation organizations responsible for keeping the wild wild.
He will be missed not only by his loved ones but those who shared
his love for the outdoors. I'd imagine that right now the Lord has him
crawling over a ridge to get a shot at a 400 inch bull. Hunt on,
David!*

“ Dear Janice and family.
I am sorry for your loss. David was my mentor and loved me like his own son. Any success I have realized in my career is in large part due to the interest David took in me in my growth and development as a man and homebuilder. He instilled in me a passion for hunting and the outdoors when he gave me my first shotgun, a HR single shot .410. Simply said David was one of my hero's in life and he will live in my heart all my days. God speed.
With love.

“ I am so sorry for your loss. May God comfort your mourning hearts. I pray that you find comfort in Revelation 21:3-5. This scripture paints a picture of a world that is very different from what we see today. A world with no more sickness, pain or death...and it's not a dream, it is a promise from God. He promises to reverse the effects of death and resurrect your precious one. You will never have to say a painful goodbye ever again! (John 5:28, 29) jw.org
