“ *Not a day goes by that I don't think of you
as your oldest sister I never thought we'd
Be at your funeral the word sad doesn't
Cover the way I feel today and for a long time
To come mom will be very surprised to
see her youngest be the first one to see her
love you and will always think of our whacky
Phone calls Kenny knows what I mean
Heather Keith and Kim I know how much
you'll miss him take care of yourselves*

“ My deepest sympathy to the family of John. I had the great fortune to finally meet him last year in Las Vegas and thank him for being so splendid of a mate for my nearly lifelong friend Kim. He was a man of exemplary character and he will be missed.

“ John was no doubt my best friend...I loved him like a brother... met him in Hi School. Me and John and Ed Amend had a blast doing what kids did back then, mostly hitting every concert we could! None of us thought we would make it to 25! And that friggin' 71 Chevelle SS...well that's another story!!! Anyway, we both got married, had kids and stayed in touch. I know he got divorced but Lisa is like a sister in law to me and I feel like an uncle to Heather and Kieth. I didn't get to see him much after he moved to Georgia but we stayed in touch, at least every few years with a phone call. I feel an empty spot in my heart this week. I can't imagine how his family feels. I will really really miss knowing that he was a phone call or just a few states away. My prayer is for peace that passes all understanding for all his family and friends that are left behind. Gonna miss you John Boy.....

“ Kim, I am shaking as I write this to you as we have been both going down this kidney failure road with our loved ones. I am so sorry you have lost John, but know his presence will always be with you. We have known each other for so many years and have gone through so much together, even from far away! You are a special friend and all my love goes to you & your wonderful memories of John. Prayers for your family & John's.

“ Dear Kim, Keith & Heather,
Please accept my deepest sympathy for your tragic loss. I was a high school classmate of John's at Cardinal Newman in West Palm Beach and we shared a great friendship. What an infectious smile he had! Along with Eric Smaldone, we formed kind of a 70s version of Huck Finn, Joe Harper and Tom Sawyer. What a tremendous time we had driving around in his Chevelle SS 454 going to concerts and trying to avoid tickets! May your memories of John and the love of each other provide you with strength and comfort. You will all be in my thoughts and prayers.
