“ *I am one of the "miracle" babies delivered by Dr. Farris in Waycross in 1959. My mother, Nelle Pinson, who is alive and well at age 95, speaks often of the wonderful doctor who guided her through an older mother's pregnancy and birth, and then enjoyed playing with the baby too. Thank you Dr. Farris for bringing me safely into this world! My prayers are with all of the Farris family.*

“ *Mrs. Farris, Bill, Carol, and GiGi:
I am so sorry to hear about the passing of Dr. Farris. I have many fond memories of your family ranging from First Methodist to Halloween and the stories Daddy would tell about the UGA football games Dr. Farris would fly them to. May the peace which comes from the memories of love shared, comfort you now and in the days ahead.*

“ I was saddened to hear about the passing of Dr. Farris. Dr Farris delivered by son in Waycross 38 years ago and my daughter 31 years ago.

He was a great man, doctor and friend. I remember him fondly and the many wonderful stories he told me about his family.

My heart goes out to you. Your family is in my heart and prayers.

“ Dear Carol, Gigi, Bill, and Mrs. Farris,
I am sorry to learn that the world has lost Dr. Farris. He was a wonderful man who I always will remember as having the best Halloween decorations in Waycross. I know Daddy will be sad to know he has lost a great medical colleague and church friend, too. Take care and be comforted by your love and faith.
