“ *My Christmas card was returned and someone told me I should check the obit. I am stunned by John's passing so soon after Linda's. I was Linda's roommate in Florida from 1969 till she and John married. I was also the maid-of-honor at their wedding. My deepest sympathy to the whole family. John was such a good soul when we hung around but maybe that was because he was trying to win Linda's hand. It took her almost a month to pronounce the last name, but I have such great memories of both of them and the last time I spoke to him was when he called to notify me of Linda's passing. I am certain that you all have fabulous memories of both parents and brother. I will keep them both in my prayers. Alma*
