“ *John worked with my father for many years. Whenever I would visit my Dad, or my children would visit their Grandaddy, John would always take time to visit with them. He was always so kind. My thoughts are with his family during this sad time. Sending my prayers and deepest condolences.*

“ *Amanda and Hailey,
We are so saddened to hear of John's passing. He was one of the kindest, sweetest men I knew. I'll always remember he and your mom visiting us at our first apartment, Amanda. That and the times we were all at the Irish Pub singing songs and laughing ourselves silly. He always sat and talked with me like I was his long, lost daughter. I know you will miss him dearly, as will many. May God give you and all his family peace and comfort as only He can.*
