“ *You were always a mentor and friend. Sunday drives in the country is just what I needed. You taught me how to work with my hand. I have not seen you in years, but thought of you often. REST IN PEACE my friend.*

“ *I will always remember Terry as a life long childhood-neighboring-friend as his little sister, Julie, and I grew-up being the best of friends sharing wonderful childhood memories. He was always so full of life and adventures; God speed my precious friend and I pray for God's blessings and comfort for all of the family throughout this difficult time.*
