“ *John was my bestfriend, advisor, confidant, teacher, and mentor. He was exceedingly proficient at bringing a smile to my face even during my saddest moments. We had a lot in common. He was a gear head and motorcycle enthusiast and, like myself, was blessed with the gift of gab so we never lacked for anything to talk about. In fact, every time we were together the hours felt like minutes. I will always cherish memories of fast cars, bike rides, and lake days with John. I will love and miss my buddy until we meet again.*
