“ John,
You and Sherri will forever be within me. I cherished the moments we spent together. You looked after me when I had my first Spinal surgery. I can't believe your gone to meet our maker. You said I want to live near my girl so you moved. I will forever love you and take your memories with me in my daily quest. I will miss you John. Be with Sherri and when you see her tell her I said hey.

“ Dear Kirstin & family
I was shocked,
as you know about This horrible news.
John seemed so happy to be in Georgia with his family.
Your dad and I had
one heck of a good time growing up Staten Island. We played touch
football in the street in front of his house and John yelled at me for
dropping the football when I ran into a parked car after catching a
touchdown pass.
Again sympathies from all the Armstrongs
