“ John Tucker was the kindest man I've ever known. He was always there when you needed him, he would give you the shirt off his back if he thought you needed it, he treated me like a daughter from day one, and I will always adore him for that. I could not have asked for a better father-in-law, nor a better grandfather for my son, he always had time for us and I will hold him in my heart until I see him again. I love you John Tucker, you were the very best.

“ John was the best dad a son could have. He has showed me so much in his life, everything from building a engine to constructing a house. He was a many talented man and yet he always had time to play with the neighborhood kids and be there for his family. The last several years have been hard on him but ,he kelp going and never let it get him down. Daddy you will always have a place in my heart and I will see you in heaven. I Love you...Daddy

“ We are deeply saddened by the loss of John.

I will cherish the memories of when he stayed with Allen during his back surgery recovery. He would come home from work and cook for the two of them. He always kept us laughing. He had a heart of gold.

May all your wonderful memories, family and faith comfort you during this time. Sending our love.

“ *John lived a courageous life to the fullest. He fought a good fight and finished his course well on Saturday morning when God called him home. We love him and miss him greatly but have peace just knowing he is with Jesus and in no more pain. So many of his friends have reached out letting us know how much his friendship meant to them. Thanks to all of you.*

“ I am honored and so blessed that God made Mr. John Wade Tucker to be my dad. He has had a long, hard journey. He hasn't been able to walk for several years, but he never complained. Praise Jesus for preparing a PLACE for my Daddy to go walk with Him. I will be looking forward to the day I get to see him again in Heaven. I LOVE YOU SO MUCH DADDY! I MISS YOU!
