“ *Until we meet again my beautiful soulmate who's an Angel. You will forever have my heart. How lucky am I that you spent rest of your life with me...How lucky am I to have found my soulmate. Not too many people get that chance. I loved you yesterday, I love you still and I will love you the rest of MY LIFE!*

“ *We were sorry to hear of John's passing. Though I did not know him outside of work as I am in Ohio, he was well liked by all who had dealings with him. On the couple of times we did meet in person, hunting stories and trucks were part of any discussion. Our condolences to family and friends and may his memories be cherished forever.*
