“ *Linda and I enjoyed working with John at Burr-Brown. He was always on top of things, was adored by his employees, had a great sense of humor, and was always fair. We remember him as an inveterate prankster - he was always up to something! We wish Jackie and family the best.*

“ Jackie, I'm so sorry to hear of John's passing. I wish I could be there this week-end but will plan to spend some time with you later this year. You and John were the the best hosts when us girls visited. I will always cherish the memories of John as our chauffeur, driving us all around and showing us the sights. What a trooper he was to put up with the 4 of us!
