“ Robin, Joe and I just found out today about this terrible loss. We are so sorry to hear about this. You are an awesome person and from the talks about your husband the few times especially when it came to your animals, he has to have been an awesome guy. Joe, I and the company wants you to know that you are truly in our thoughts and prayers, your children and your family. We are asking God to comfort one of his angels and to draw you oh so close to him. You are such a courageous and wonderful lady, giving cheer wherever you go. I just know that God don't need any of us to ask such a favor, because we know you are already there cuddled in his arms. God bless you, Joe Pierce, Susan Newsome and the staff of Pierce Parts & Service.-Macon, Georgia

“ I remember my second cousin, John, as a handsome and personable young man. I have not seen him in years since I moved from Florida, then returned to the state, and the family became scattered. My sympathy for his passing.
