“ *Jimmy, I am still shocked and terribly saddened to hear Johnnie passed away. My heart breaks that I didn't know until this past Saturday and I'm so sorry I missed her services. I was 22 when I met Johnnie working together at Beckman Instruments, 4177 Northeast Expressway. I loved Johnnie and we had many fun times together. Her dry sense of humor always kept me laughing! We would often reminisce about our great colleagues at Beckman - her memory was much better than mine. She was such a devoted daughter to Mrs. Bagley and you were the love of her life, Jimmy! We talked often, especially in 2018, as she was so worried about you. I will always cherish my memories of her and our friendship, and I will miss her greatly. Your love for Johnnie was one-of-a-kind, and she told me often that she didn't think she could live without you. I know she is rejoicing in Heaven with her Mom & Dad and her brothers. Much love and peace to you, Jimmy. I will be praying for you. Love, Carolyn Camp Rand (404-307-0999)*

“ *We were heart broken to hear about Johnnie passing when Jimmy called and let me know. I knew Johnnie for a long time and she was always willing to help me out. She did the invitations for my two oldest sons Boy Scout Eagle ceremony. Her cursive writing was outstanding!! Jimmy, Beth and I will miss her!! She was a true friend.*
