“ I had the honor of meeting John and Myrtle Anderson about 10 years ago when I became their landscaper. Over the years, John became so much more than a customer to me—he was a dear friend who felt like family.

John had a way of making everyone feel valued. He was always kind, caring, and genuinely thoughtful in everything he did. Whether we were chatting about life or simply sharing a laugh, his warmth and generosity left a lasting impact on me.

I will always cherish the memories we shared, and I'm grateful to have known such a remarkable man. John's legacy of kindness will live on in the hearts of everyone who knew him. Rest in peace, my friend.

With Love, Josh

“ *I was neighbors with John when he was still with Ann and then he lost his beautiful wife. Then John meets the powerhouse little lady Mert who was by his side for many years. They were always out in their beautiful gardens and working hard. Their yard was always prestine! They used to have wonderful gatherings with a spread of delicious food in their back yard for there friends and family! It was very special!*

“ I've been blessed to be John's neighbor since his wife Ann was still with him. Then came little powerhouse Mert. Remember many gatherings with his friends and family in his beautiful backyard. Going to miss seeing him out in his beautiful front yard planting and gardening. God speed Mr. Jonn Anderson. RIP
