“ I was thinking of Johnny the other day remembering the fun times we had. He would come by my house on his "whizzer" and I would jump on the seat while he would stand on the pedals or rest on the tank. Boy, we would travel all over Buford and the Sugar Hill area mostly on dirt roads at the time.(1950's) We made some wonderful memories back then. Last time I got to see Johnny was late 80's or early 90's at my yogurt store in Dahlonega when he and his wife stopped by. May God Bless the whole family during this loss.
