“ Dear Dad,
It's been over 6 years since you returned to your heavenly home and some days it feels like it was yesterday. I hope you hear my prayers and all the times I talk to you. I am so thankful for all the happy memories we shared and am beyond grateful for all you ever did for me. You always made me feel so special as your little girl no matter how old I was. I truly love and miss you dearly Dad. I love listening to your voicemails telling me how much you love and care for me. They always put a smile on my face especially the silly ones. I often want to call you to talk about life, both the good news and even the tough times I'm going through. I truly believe you watch over me and my family, especially my boys and thank you for your protection. Knowing you I imagine you watch over all of us kids, grandkids, and great grandchildren. I'm eternally grateful to my Heavenly Father for blessing me with the best dad I could ever ask and hope for. You're still my true hero and I can't wait to see you again one day. All my love to you Dad, for all time and eternity.
Love, Allison (Anin)

“ I am going to miss you Jon. It was great having another Jersey guy in the club. You were always there taking pictures of the group and making everyone feel like they belonged. I know that you will have a special place in heaven. I am sorry we didn't ride together more, but maybe will again in the afterlife.

Rest in Peace Trooper Mendres
