“ I am very sorry to know that Jonathan is no longer here with us all. I remember Jonathan as a kind- hearted, funny and always respectful young man. He was my student and I was his teacher. I always looked forward to seeing his sweet smiling face and knowing that he cared about me and understood my position. He understood that I cared about every aspect of his life and that I would always give to him my best, and he did the same for me. My heart is comforted with these words and I hope they comfort his family and friends when you hear them.

*I will see him again.*

*Sending prayers and Love to his family and friends. Mrs. Wendy Baumgarten*
