“ *Our Darling Granddaughter's little three month old son, left his parents on June 29th. He wanted to go play with all the little children in heaven. Tyler you left us so very sad as we will miss you so very much. He did not stay with us that long but he really made an impact on our lives. Tyler was a beautiful dark-eyed boy with dark hair. His skin was so soft. His eyes would look at you so hard and long when you were talking to him. I am sure he was content and secure in our arms. He must have loved all the voices in his life. Tyler, you made all of our lives brighter and your memory will be with us all forever. Thank you for letting us get to know and love you for awhile. We wish that you could have stayed longer with us. Your parents will always be with you. Have fun jumping on all the clouds and running with all of the other children. We will see you again. Your Great Grandparents, Judy & Vern Coker.*
