“ *We just recently found out about Joe's passing. My heart hurts for you all. We crossed paths with Joe after I asked if anyone knew of an honest plumber. A friend recommended him and after that we called him anytime we had an issue. Each time we encountered him he always struck us as an honest, knowledgeable, and humble man with a true desire to help people. Since my husband grew up around racing he and Joe had several great conversations about NASCAR. He would come over to do a job and would end up staying and chatting with us. He was a kind person and will be missed by all who knew him. We send our prayers up for you all.*

“ *Judi, I am so sorry for your loss. I know we haven't met, but that's the great thing about Facebook, being able to keep up with ole friends. I loved seeing how happy you two were together in all of your pictures... enjoying life to the fullest! Keeping you in my prayers!*

*Frank, Mom & Tom... I wish I could find the words to say something that could help ease the pain. It is just unimaginable! My heart hurts for all of you. I just want you all to know how special you are to me. Y'all treated me like family and I have wonderful memories of times spent with the whole family, Joe left this world way too soon, but he did touch so many people along his journey. Sending love and prayers!*

*RIP Joe, my friend.*

“ Judi, I am one of Joe's many cousins on his Dad's side of the family. I am so sorry to hear about his passing. I know if he could say it, I'm sure he would want to meet our Lord doing what he loved. Although, I'm sure he didn't want to leave this soon. I will pray for you and your family for strength and comfort.
