“ I knew Joe through working with him at The Torrington Company. I was a young engineer and Joe always had great advice and insight about work and personal life. I enjoyed his friendship and saw his as a mentor. I went on more than a few business trips with Joe and he always knew the best places to eat! Until we meet again Joe.

“ *Joe will be remembered as a faith filled man and a determined leader of our Parish. As his successor as President of the Prince of Peace Men's Club, I know how involved Joe was in all the activities of the Club and how successful he was in his leadership role. He always got into the heart of the project and was not afraid to get his hands dirty to assure a successful outcome. Cooking, cleaning, or whatever task was needed to get the job done. Our Club and entire Parish were well served by Joe's enthusiasm and leadership. He was a friend and brother in Christ and will be sorely missed by many. May he rest in the Peace of the Lord.*
