“ *RIP Joe/Dad, I will miss you very much. Our group hugs will never be the same. You will always be in the center in all our hearts and spirit. You were always my 2nd daddy! You always made me feel like your own and treated me as if I was. I could not have asked for a better Father-n-law in all the world. I know you are up there with my daddy now and looking down proud on your families. 💕💕💕💕💕*

*Joe Yagle was a great GM associate. I first met him in 1964 as we both found ourselves working in an exciting world of automobiles. Joe was a pleasure to work with over the many years. His values were always predictable and constant and were an inspiration to younger employees under his influence. I always looked forward to seeing Joe at periodic GM gatherings over the last 30-40 years. Joe leaves a great legacy for himself, his family, GM and Georgia Tech. Our sincere condolences and sympathies are extended to his family and friends during this difficult time. May Joe rest in eternal peace.*
