“ Tomorrow will be a year since Adam went to be with Jesus. he has been a family friend for years and move next-door to me. He was so good to my little girl and she loved and adored him. His Big car and gentle soul will never be forgotten. He helped me anytime I needed him. I will miss how he puffed his cheeks out before he left. I will miss how he smelled good even after being on the garbage truck all day. I will miss all of our inside jokes and late night talks. He was one of my best friends. He was the best father to MYA. She was his entire world. I am grateful for the time they got to spend together. She is truly a daddy's girl. He was one of the best people I've met in my life. I love and miss you Adam. Love, Courtney&Remi

“ It's been many years since I have hung out with Adam but we kept up with each other with a phone call every now and again. I was so proud of him as a father, Mya was his everything! You could hear the joy in his voice every time he spoke about her. I am heartbroken that he is gone. He was a good person and I always felt safe when he was with our group. I will remember that smile of his. Rest in Heaven, Cracker! (We called each other that though after 18 years I don't remember why that started lol)  
Many prayers to all of Adam's family & friends

“ I remember when we went to key west and I had the biggest crush on you years ago! I rode the jet skis with you and I was so terrified because you were going fast and I didn't know if I was able to put my arms around you! I can go on and on but I will ALWAYS remember the times we had! You will be greatly missed
