“ *For 25 years she has been one of the most important people in my life. It's so hard to say goodbye, but I think of all the time we spent together and all the memories we share and for that time I'm forever grateful. She always told me how proud she was of me, and I hope she knew how proud I was to call her my Granny <3*

“ *Juanita was a wonderful Mother and treated her children's friends like her own. She always seemed glad to see us and made us feel welcome every time. Her children are an outstanding testament to her. They lovingly cared for her in her later years. God bless them as they adjust to her passing. May they also be comforted knowing they got to share so much precious time with her.*

*The Stephens family were our neighbors growing up. Buford was so different back then....everybody knew everybody and neighbors were like family..... we loved living on a small town like this..... we felt safe..... neighbors watched out for each other and this is what we remember about Juanita and Clyde Stephens ....if you needed something they were there.....Juanita was the sweetest person to both Gail and I and a best friend to our Mother One of our fondest memories of her was you hardly ever saw her without her glass of iced tea.....we would go over to sit on the porch and visit and she always had her iced tea.....neighbors don;t visit like that much anymore or even know their neighbors.... We are so glad we had the kids to play with and to have this family for our neighbors and have been friends all these years ..... We pray that the HOLY SPIRIT..comforts all of you in the coming days and months ..... Juanita is with JESUS and safe and secure in HIS LOVE..... GOD BLESS YOU ALL WE LOVE YOU..... Glyniss and Gail*

*She was influential in my life. I have wonderful memories of life in Juanita's home. It was always filled with laughter and excitement. There was a well worn path between my house and theirs. I am forever thankful for those memories.*
