“ *Judy was a special Lady every time we were around each other we made each other laugh . Mostly me making her laugh because that's how we were I would do anything to get a laugh from her if it was goofing on some antique she liked or putting on a huge pink sombrero if it made her laugh I would do it .She is and will be missed .*

“ *Judy was my sister from another Mother. She had a great sense of humor. She taught me a lot about antiques and accepting different points of view. I will miss her, my heart is heavy. She was a wonderful partner to my brother. May she go to that bright light and find another adventure.*
