Judy graduated high school at Shanks High in Quincy, FL class of 1972. She went to work at Florida State University in Tallahassee, FL for 35 years where she retired. Shortly after retirement she moved to North Georgia to be with her daughters and grandchildren. She was a loving Christian lady who felt the presence of the Lord in her life. She had an energetic and fun nature, loved to cook, enjoyed fish fries, grilling out burgers, and of course her favorite dessert cream cheese pound cake with chocolate almond ice cream. While working at Florida State she became a football fan who loved to cheer on the Seminoles and then later on the Georgia Dawgs as well when she moved to Georgia. She enjoyed being outside in the sun by the water whether it was going to the beach, going skiing on the lake, or laying by the pool. The day she became a Grandmother her grandchildren were her pride and joy. We know she is in heaven now with her family and friends that have passed. We loved her

tremendously and will miss her greatly.

“ *When I was with Judy it was joyful. I loved seeing that big beautiful smile of hers greeting me. She had a laugh that couldn't be mistaken for anybody else. I thought she was beautiful inside and out and I knew she loved me. She had a good life with her family and I wish she could have been with them longer. She will be sorely missed by many. With all my love Monteen Spooner Heikkila*
